Parenting Project

stratford district

**Support for
you and your family at your
Sure Start Children's Centre**

Would you...

- Like an opportunity to meet other parents?
- Benefit from practical advice and support?
- Like time to talk and be listened to?
- Like support to use local services and resources?
- Like support with understanding children's behaviour?
- Like support with my families health and development?

Who?

The Parenting Project is a local Charity. We offer a wide range of services to help make parenting that little bit easier; from information and signposting, to home visiting and courses.

What?

Our Outreach Workers are available to families on a one to one basis. We work with parents to try and resolve some of the ups and downs we all face as parents.

How?

All we need is a completed Request for Services form which you can fill in over the phone or by visiting the centre closest to you. Once a request has been made our team will call to set up a meeting.

Where?

We can meet at the centre or visit you at home. We are open all week and run a number of fun free groups.

Why?

Because parenting is a full time job... that doesn't come with an instruction manual.

When?

If you have said yes to any of our questions then please call us.
