

CHILDREN CENTRE SESSIONS

Health Visitor Clinic – drop in to see your Health Visitor, baby weigh and play. Breastfeeding support

Chatter matters for babies – songs, rhymes and sensory activities for babies to support their early communication skills, 4-7 months

Chatter matters for toddlers – songs, rhymes and fun activities for toddlers to help develop their speech, language and communication skills, 1-2 years

Baby Play – play sessions including sensory, messy and physical activities 0-12 months

Stay and Play – play session for families with children 0-5 years

Messy Play - lots of fun for under 5s. A chance for little ones to explore new textures and get messy

Speech & Language Enrichment – 3 monthly sessions learning strategies to enhance your child’s speech development

Baby massage – a ‘Touch Learn’ programme/course for parents and very young babies

“Inbetweensies” – for babies aged 6-9 months, 3 sessions with the Health Visiting Team (weaning, play, sleep)

Introduction to solid foods – health visitors provide nutritional advice about weaning

Baby Resuscitation – a one off information “hands-on” session that could save the life of a baby (adults only to attend)

Nurturing @ SCC – a 10-week course - “how to get the best out of family life”

One-to-one support – chat to a member of staff if there is anything you would like some individual support with, or complete an IRS form

Suggested voluntary donation per family

Chatter matters/ Baby massage £10 per course

Stay & play/ other play based sessions £1.50

Save baby’s life £5 fully refundable deposit

Adult learning crèche £2.50
