**CHILDREN AND FAMILY CENTRE SESSIONS**

<b>Health Visitor Clinic</b>	Drop in to see a Health Visitor, weigh your baby and join in with special activities run by a staff member from the Children's Centre – breastfeeding support available
<b>Let's Play</b>	Paint & Print, Sound & Music, Outdoor Play, Messy Play and Malleable Play sessions 0-5 years
<b>Boogie Tots</b>	Music and movement 0-5 years
<b>Baby Chatter Matters</b>	5 week course of fun through songs, rhymes and sensory activities for babies to support their early communication skills, 4-7 months
<b>Toddler Chatter Matters</b>	5 week course of fun through songs, rhymes & fun activities for toddlers to help develop their speech, language & communication skills, from 12 months or walking
<b>Baby Play</b>	Play sessions including sensory, messy and physical activities for families with children, 0- 12 months
<b>Stay &amp; Play</b>	Play sessions with a weekly themed activity for families with children 0-5 years
<b>Speech &amp; Language Drop in</b>	Drop in to discuss your child's speech development with a therapist
<b>Baby Massage</b>	5 week 'touch learn' programme teaching parents the skills of massage which has many benefits for baby & helps to create a close bond, suitable from 8 week or after HV check
<b>One-to-one Support</b>	Chat to a member of staff if there is anything you would like individual support with, or complete an Initial Request for Services form (IRS)
<b>Save a Baby's/Child's Life</b>	A "hands-on" course based on first aid for children provided by experience trainers in what to do in an emergency (Adults ONLY to attend)
<b>Group Triple P</b>	Positive parenting programme
<b>Nurturing</b>	A 10 week parenting programme that looks at family life in a thoughtful & fun way. It also helps support positive behavior in children
<b>Courses by Adult &amp; Community Learning</b>	Check timetable for latest courses
<b>Physiotherapy Advice Clinic</b>	If you have concerns with pre-school child's physical development
<b>Counselling</b>	The aim of the service is to help clients explore issues they may be experiencing. Counselling can help with a variety of problems and can help when a person has become 'stuck' or troubled with their current situation
