CHILDREN AND FAMILY CENTRE SESSIONS

Health Visiting Team Clinic	Drop in to see a member of the Health Visiting team, weigh your baby and join in with special activities run by a staff member from the Children's Centre – breastfeeding support available For more information regarding Health Visiting Team Clinics in the South please visit: https://www.swft.nhs.uk/our-services/children-and-young-peoples-services/health-visiting
Baby Chatter Matters	5 week course of fun through songs, rhymes and sensory activities for babies to support their early communication skills, 4-7 months
Toddler Chatter Matters	5 week course of fun through songs, rhymes & fun activities for toddlers to help develop their speech, language & communication skills, from 12 months or walking
Stay & Play	Play sessions including sensory, messy and physical activities for families with children, 0-5 years old
Speech & Language Drop in	Drop in to discuss your child's speech development with a therapist
One-to-one Support	Chat to a member of staff if there is anything you would like individual support with, or complete an Initial Request for Services form (IRS)
Save a Baby's Life	A "hands-on" course based on first aid for children provided by experience trainers in what to do in an emergency (Adults ONLY to attend)
Physiotherapy Advice Clinic	If you have concerns with pre-school child's physical development
Counselling	The aim of the service is to help clients explore issues they may be experiencing. Counselling can help with a variety of problems and can help when a person has become 'stuck' or troubled with their current situation
Wellcomm Screen	A speech & language toolkit which is used for early identification of children's developing skills. WellComm can pinpoint areas in your child's speech which can be enhanced with targeted activities to help your child speak clearly and with confidence.
